Adopting a cat is a lifetime commitment. Please complete this form to assist us in determining whether the cat you want is suitable for your home and lifestyle. When selecting a cat to adopt, it is important to bring your entire family, including your current cat(s) to meet the cat. All information collected on this application is kept confidential.

Name of Cat _____

Date of Application _____

Applicants must call back after 24 hours to activate the application.

If there is no correspondence to the shelter within 48 hours of filling out the application, it becomes void.

We do not adopt to individuals under the age of 21.

If you are pregnant, please consider the possibility of allergies developing in your newborn BEFORE adopting a pet.

All cats are capable of aggression, and every cat is a potential scratcher/biter. We cannot guarantee the absence of aggression.

Viruses are a fact of life for all animals and are often exacerbated in a shelter setting. While we take every precaution that only healthy animals are placed for adoption, there may be medical circumstances that were not detectable while the animals were in our care. Humane Society Yukon is unable to be financially responsible for any animal once it has been adopted.

Photo ID is required to process adoptions.

This application is not a test, and there are no wrong answers. We are only trying to find the most suitable, caring, permanent homes for the animals in our care and the most appropriate and compatible pets for adopters and their families.

Spaying or neutering any pet that comes from Humane Society Yukon is mandatory. If you are adopting a kitten under four months of age, you must be aware of this.

The Mae Bachur Animal Shelter reserves the right to refuse adoption to any individual. We will not release the reason for refusal.
