Spring 2017

MISSION OF HSY

is to foster a caring compassionate atmosphere to promote humane ethical and responsible pet ownership and to prevent cruelty to domestic animals.

VOLUNTEERS.... THE LIFEBLOOD OF OUR ORGANIZATION

The Humane Society could not do what it does without our dedicated core of hard-working volunteers. We depend on the dog walkers, the dog and cat whisperers, the ticket sellers, the Bingo workers, the grocery packers, those who lend a hand to paint a wall or build a kennel, contribute to a yard sale or bring in blankets, bedding, bleach or ideas. Kudos to our foster parents who take home puppies and kittens who need extra support. We honour you all and wish that we could do more to show our appreciation. This spring we will pick just two of you to receive a small token of our gratitude. Watch for their stories in the coming issue.

If you already volunteer, thank you. If you would like to volunteer, please contact our Volunteer Coordinator, Julie Munich, or the Humane

Society Yukon and fill out an application.

VOLUNTEER ORIENTATION

Our Volunteer Committee has been working very hard on re-organizing our volunteer data base. You may have been asked to complete a form to help us in this regard. Please do so as soon as possible to ensure that your information is current. They are also doing outreach to recruit new volunteers to come on board. They will be offering an orientation package to volunteers to allow them all to be fully updated on proper handling and procedures for working with animals. **Jackie Nichols**, a professional trainer will be working with the committee to deliver this
